Housekeeping Supervisor ~ 40 hours p/w

Is your ambition to ensure that hotel rooms sparkle with cleanliness, and are you ready for a new challenge in a dynamic environment?

Your role at LionsDive

As a Housekeeping Supervisor at LionsDive, you ensure that everything runs smoothly and that the daily goals are met. Your responsibility is to ensure that our hotel rooms are always of top quality, punctually ready for guests' check-in time according to our policy, and that periodic cleaning also runs on schedule. You are top-notch in planning and organizing, you understand what is most important, and you can respond and act quickly when needed. You work together with other supervisors and report to the Housekeeping Manager who oversees the Housekeeping department.

What your tasks are

- ✓ Daily inspection of hotel rooms (on arrival, during stay-over and VIP rooms).
- ✓ Ensure consistent cleaning and maintenance, both daily and periodically.
- ✓ Train and monitor the team, overseeing work execution and making necessary adjustments.
- ✓ Identify and resolve issues and complaints.
- ✓ Address and resolve technical defects in rooms and corridors.
- ✓ Ensure an adequate stock of supplies, equipment, and tools.
- ✓ Assist with requests from the Front Office department and the Office Coordinator
- ✓ Take over tasks within the Housekeeping Supervisor team when needed.

This is you

- ✓ A minimum of 1 year of work experience in a similar supervisory role.
- ✓ You have a mbo level degree.
- ✓ Strong planning and organizational skills.
- ✓ You can speak and write in Papiamentu, and either Dutch or English.
- ✓ Experience in the cleaning industry is a plus.
- ✓ You are a registered resident of Curaçao.
- ✓ Flexibility is your second nature, and you have no issues with working on weekends and holidays.
- ✓ Hospitality, professionalism, and teamwork are in your DNA.
- ✓ Problems are opportunities, stress is an unknown concept, and you pay attention to the smallest details.
- ✓ You are a star in Microsoft Office (Outlook, Word and Excel) and already work with it regularly.
