

## Vacancy

# Maintenance All-round Agent

~ 40 hours per week ~

As a Maintenance All-round Agent, you ensure that everything in the hotel functions properly and is well maintained. You repair things, resolve malfunctions, and make sure everything stays tidy. You work a lot with electricity, but also assist with carpentry, plumbing, and swimming pools. You work independently or together with colleagues and external parties.

### This is you

- You love technology and enjoy working with your hands.
- You think in terms of solutions.
- You work neatly and safely.
- You find sustainability important.
- You speak Dutch and Papiamentu. Speaking a third language is fantastic!

### This is what you will do

- Carry out repairs and maintenance (electrical, plumbing, carpentry, etc.).
- Solve malfunctions and perform inspections.
- Keep records of repair activities in the malfunction system.
- Contribute ideas for sustainable solutions.
- Collaborate with other departments and suppliers.

### What do we expect from you?

- You have completed an electrical engineering education (minimum level 3).
- You have at least 1 year of experience with electrical systems, malfunctions, and installations.
- You can work well independently and also within a team.
- Experience with other technical tasks (such as plumbing, carpentry) is a plus.
- Experience with maintenance applications like Nuvola is a plus.

### What do we offer you?

- A job with a lot of variety.
- A market-based salary.
- Free use of our gym.
- Working at one of the most beautiful locations in Curaçao.
- A pleasant and sustainable working atmosphere.

### Who are we?

At LionsDive, we work as a close-knit and hands-on team that provides guests with unforgettable experience and excellent service. With passion for hospitality, we ensure a warm, personal approach. At the same time, we strive for sustainability and corporate social responsibility, creating a positive impact together.
